Thank You

- Many thanks to all who helped and supported the Winter Festival. It was a great afternoon, slightly hectic as usual. We raised slightly less than previous years. Any ideas for the next Winter Festival are very welcome.
- Thanks to those who helped on Christmas Party day in the dining hall and running the games in the afternoon.
- The money raised at the Winter Festival covered the cost of Beauty & the Beast and an ice-cream for all children and staff. We are very grateful to those who came & helped on the day.
- The Mini-Vinnies & Junior Mission Team sent a card of thanks for all the support given for their Christmas party for the Senior Citizens of our parish. They prepared the centre, organised gifts, served the food and tidied up afterwards; FOSC helped with preparing the hot food. It was a lovely event and the parishioners were delighted to be invited to the school Nativity and then the Christmas party.
- If you have any other suggestions for fundraising events' please let us know and we will help you organise it.
