Thank You

- Many thanks to all who helped and supported the Christmas Market. It was a great day, slightly hectic as usual. We raised less than previous years, we managed to cover 75% of the cost of the Christmas pantomime.
- A huge well done to Helene Archer & Mrs Bissell for raising the funds for the schools defibrillator and training.

Friends of St Cuthbert's Parents' Association

- Christmas Pantomime helpers enjoyed the panto as much as the children and the parishioners. Everyone enjoyed the ice creams!
- The Mini-Vinnies & Junior Mission Team sent a card of thanks for all the support given for their Christmas party for the Senior Citizens of our parish, so thanks to all who helped on the day and prepared food. The children helped prepare the library, organised gifts, served the food and tidied up afterwards. It was a lovely event and the parishioners were delighted to be invited to the school Nativity and then the Christmas party, many commented that attending the Nativity & party really marked the start of the Christmas season for them.
- This year's Easter Egg Hunt was a great success, the extra OPAL equipment has added some great hiding places, and everyone really enjoyed themselves.
- Huge thanks to our Parish Centre Committee for allowing us to use the centre and for their generous donation and help throughout the year.

If you have any other suggestions for fundraising events', please let us know and we will help you to organise it. All St Cuthbert's children and their families are members of FOSC, we don't have meetings, we just organise a few fund-raising events to help provide some little extras the children deserve.
