Philosophy

At St Cuthbert's Primary School we believe that there should be a whole school Behaviour Policy, which creates a positive atmosphere, based on a sense of community and shared values and reflecting the distinctive Catholic ethos of the school. Consistency and consensus among staff will create a climate of good social behaviour and that each child is a unique individual made in the image of God. We believe that pupils learn best when expectations for their behaviour are explicit. This creates a safe, secure environment for them to develop their potential, where they work together to form a community in which everyone feels included and valued.

1. Aims

This policy aims to:

Provide a **consistent approach** to behaviour management

Define what we consider to be unacceptable behaviour, including bullying

Outline **how pupils are expected to behave**

Summarise the **roles and responsibilities** of different people in the school community with regards to behaviour management

Outline our system of **rewards and sanctions**

2. Legislation and statutory requirements

This policy is based on advice from the Department for Education (DfE) on:

[Behaviour and discipline in schools](#)

[Searching, screening and confiscation at school](#)

[The Equality Act 2010](#)

[Use of reasonable force in schools](#)

[Supporting pupils with medical conditions at school](#)

It is also based on the [special educational needs and disability \(SEND\) code of practice](#).

In addition, this policy is based on:

Section 175 of the [Education Act 2002](#), which outlines a school's duty to safeguard and promote the welfare of its pupils

Sections 88-94 of the [Education and Inspections Act 2006](#), which require schools to regulate pupils' behaviour and publish a behaviour policy and written statement of behaviour principles, and give schools the authority to confiscate pupils' property

[DfE guidance](#) explaining that maintained schools should publish their behaviour policy online

3. Definitions

Misbehaviour is defined as:

Disruption in lessons, in corridors between lessons, and at break and lunchtimes

Non-completion of classwork or homework

Poor attitude

Disregard of staff instruction

Serious misbehaviour is defined as:

Repeated breaches of the school rules

Any form of bullying

Vandalism

Theft

Violent behaviour or hurting others

Racist, sexist, homophobic or discriminatory behaviour

4. Bullying

Bullying is defined as the repetitive, intentional harming of one person or group by another person or group, where the relationship involves an imbalance of power.

Bullying is, therefore:

- Deliberately hurtful
- Repeated, often over a period of time
- Difficult to defend against

Bullying can include:

Type of bullying	Definition
Emotional	Being unfriendly, excluding, tormenting
Physical	Hitting, kicking, pushing, taking another's belongings, any use of violence
Racial	Racial taunts, graffiti, gestures
Sexual	Explicit sexual remarks, display of sexual material, sexual gestures, unwanted physical attention, comments about sexual reputation or performance, or inappropriate touching
Direct or indirect verbal	Name-calling, sarcasm, spreading rumours, teasing
Cyber-bullying	Bullying that takes place online, such as through social networking sites, messaging apps or gaming sites

Details of our school's approach to preventing and addressing bullying are set out in our anti-bullying Policy. (Website - Reviewed July 2021)

5. Roles and responsibilities

5.1 The governing board

The Governing Body is responsible for reviewing and approving the written statement of behaviour principles (appendix 1).

The Governing Body will also review this behaviour policy in conjunction with the headteacher and monitor the policy's effectiveness, holding the headteacher to account for its implementation.

5.2 The headteacher

The headteacher is responsible for reviewing this behaviour policy in conjunction with the governing board giving due consideration to the school's statement of behaviour principles (appendix 1). The headteacher/ Chair of Governors will also approve this policy.

The headteacher will ensure that the school environment encourages positive behaviour and that staff deal effectively with poor behaviour, and will monitor how staff implement this policy to ensure rewards and sanctions are applied consistently.

5.3 Staff

Staff are responsible for:

- Implementing the behaviour policy consistently
- Following our Restorative Justice procedures
- Modelling positive behaviour
- Providing a personalised approach to the specific behavioural needs of particular pupils
- Recording behaviour incidents (see appendix 3 for a behaviour log)

The senior leadership team will support staff in responding to behaviour incidents.

5.4 Parents

Parents are expected to:

- Support their child in adhering to the pupil code of conduct
- Inform the school of any changes in circumstances that may affect their child's behaviour
- Discuss any behavioural concerns with the class teacher promptly

6. Pupil code of conduct

Pupils are expected to:

- Behave in an orderly and self-controlled way
- Show respect to members of staff and each other
- In class, make it possible for all pupils to learn
- Move quietly around the school
- Treat the school buildings and school property with respect
- Wear the correct uniform at all times
- Accept sanctions when given
- Refrain from behaving in a way that brings the school into disrepute, including when outside school

7. Rewards and sanctions - 7.1 List of rewards and sanctions

Positive Behaviours

Our pupils and staff are considerate of each other and our surroundings and always behave in a positive way. The rewards for such behaviour are intrinsic and we recognise that feeling good about something you have done is a very significant reward. We also aim to reinforce positive behaviour with descriptive praise and recognition through rewards such as:

- staff congratulating pupils
- giving children stickers
- stamps
- house rewards
- whole class rewards
- Friday star of the week certificates including community stars recognition
- lunchtime supervisors selecting 'golden table' pupils;
- Head Teacher's award/postcards home
- Special responsibilities/privileges
- Praise

We believe that children achieve best when there is a partnership between home and school and this applies particularly to behaviour. We expect parents to support the school in maintaining good discipline, which in turn ensures good learning, by signing a home/school agreement as written evidence that they are in agreement. We aim to work with parents and keep them informed at each stage of the policy.

- As far as possible, parents/carers will be informed of achievements so they can share in their child's rewards.
- Staff may use the informal 'chat on the yard' approach or contact parents/carers by telephone.
- Reading records or home-school books are used to send messages home or into school.
- The Parents' Consultations Evenings also provides a forum for discussion.
- Parents may be invited on an individual basis to attend a meeting to discuss strategies for improving their child's behaviour at school.
- Class assemblies, celebrating behaviour and achievements
- Certificates and stickers that children take home

Good discipline is the shared responsibility of all staff. We know that if we expect the children to behave well, the adults in the school must model good behaviour themselves.

We strive to avoid:

- humiliation – it breeds resentment;
- shouting – it diminishes us;
- over reacting – the problem will grow;
- blanket punishment – this is unjust towards the innocent;
- harsh sarcasm; · threatening children with someone else's discipline;
- using an area of the curriculum as a punishment (e.g. extra maths or no P.E.);

As part of promoting positive behaviour and providing positive role models, pupils are provided with the opportunities to take on responsibilities within their own class, and across their school. These include, but are not limited to:

- Membership of the School Council
- Membership of Junior Mission Team or Mini Vinnies
- Playground leaders
- Classroom and school wide monitor jobs
- Early Years buddies
- Members of the Eco club
- Supporting office admin staff to deliver letters/resources
- Lunchtime Monitors
- Ecadets
- Mini police

Resilience Ambassadors

The school may use one or more of the following sanctions in response to unacceptable behaviour:

- A verbal reprimand
- Sending the pupil out of the class
- Expecting work to be completed at home, or at break or lunchtime
- Detention at break or lunchtime, or after school
- Referring the pupil to a senior member of staff
- Letters or phone calls home to parents
- Agreeing a behaviour contract

Order of Sanctions

1. Class teacher to deal with minor incidents-missed playtime, timeout etc
2. Class teacher would talk informally to parents about the incident and perhaps set up a home school diary or individual traffic light system
3. If a white slip is issued, it is filled in by the adult and a text sent to parents.
4. More serious incidents, direct to HT who will decide alternative action.
5. If 3 white slips : teacher to meet with parents informing of the behaviour for which they have received a white slip and to implement approaches to change behaviours.
If behaviour continues and 6 white slips are issued, HT contact parents by letter to arrange a suitable appointment to discuss the next course of action.
6. Repeated offenders: school to consider Behaviour Support/ crisis response/ or support programme
7. Very serious offences-violence, endangering themselves or others, severe bullying, damage to property, short term exclusion, fixed term exclusion, permanent exclusion. Crisis Response and potentially PRU action.

See appendix 4 for sample letters to parents about their child's behaviour.

We may use the isolation room in response to serious or persistent breaches of this policy. Pupils may be sent to the isolation room/ another classroom during lessons if they are disruptive, and they will be expected to complete the same work as they would in class.

7.2 Off-site behaviour

Sanctions may be applied where a pupil has misbehaved off-site when representing the school, such as on a school trip or on the bus on the way to or from school.

7.3 Malicious allegations

Where a pupil makes an accusation against a member of staff and that accusation is shown to have been malicious, the headteacher will discipline the pupil in accordance with this policy.

Please refer to our safeguarding policy/statement of procedures for dealing with allegations of abuse against staff, for more information on responding to allegations of abuse.

The headteacher will also consider the pastoral needs of staff accused of misconduct.

8. Behaviour management

8.1 Classroom management

Teaching and support staff are responsible for setting the tone and context for positive behaviour within the classroom.

They will:

Create and maintain a stimulating environment that encourages pupils to be engaged

Display the pupil code of conduct or their own classroom rules

Develop a positive relationship with pupils, which may include:

- Greeting pupils in the morning/at the start of lessons
- Establishing clear routines
- Communicating expectations of behaviour in ways other than verbally
- Highlighting and promoting good behaviour
- Concluding the day positively and starting the next day afresh
- Having a plan for dealing with low-level disruption
- Using positive reinforcement

The Restorative Approach – Building a positive community including rules and high expectations.

The ethos of the school underpins all rules relating to behaviour within the school. At St Cuthbert's RC Primary School, our ethos is:

- We care
- We are proud of ourselves and proud of each other
- We are safe, healthy and happy
- We have good manners
- We strive to be independent learners

Children need to know and help set the class rules. Each teacher works with their class to formulate a class charter, detailing a shared set of rights and responsibilities for all members of the class community, both children and adults, to adhere to. Every class takes part in class circles on a regular basis. This time is used to build connections and relationships within the class. During circles, expectations of behaviours are taught and reinforced on a regular basis and on-going throughout the year. The class will develop their own class rules for learning, circles and behaviour. The agreed rules are on display in the classrooms.

Children are therefore encouraged to take responsibility for their own actions and behaviour; as well as, consider the impact of their actions and behaviour on others. Pupils who follow the rules must have their actions acknowledged and rewarded. Those who do not follow the rules need to know that their actions will not be ignored. Consequences of inappropriate choices will be discussed and decided upon with the pupil and the consequence enforced.

What are our expectations for pupil and adult conduct?

We are proud that we have created a well-organised, attractive and stimulating learning environment. We have expectations for the various areas within the school as well as for behaviour during specific 'whole school' activities such as assemblies.

The school environment

Our expectation is that classrooms will be tidy and well organised as this has a positive impact on behaviour. All of us should be proud of our interesting, well-resourced school. It is the responsibility of adults and children alike to maintain our pleasant school by looking after the resources and displays.

Corridors

Children are expected to walk quietly around the building at all times (especially when passing through areas where other people are working). Children and adults should be keen to hold doors open for others showing politeness and consideration for others.

Assemblies

Staff and children are expected to enter and leave the hall silently, unless choosing to sing along to any music played and sit quietly during assembly showing respect for the adult or children delivering the assembly. Children and adults should be keen to participate and contribute to any interactive parts of an assembly in a positive and respectful manner. Members of staff who accompany their class into assembly, and wish to issue instructions to children in assembly should usually do this using signs rather than speech, and should lead their class in and out of assembly from the front of the line.

The dinner hall

Children should line up quietly, be polite when receiving their meal and follow any directions of the adults in charge. After the meal children should clear their eating area, leave the dining area quietly and walk to the playground or field.

The playground

At St Cuthbert's, we do not distinguish between the authority of one adult to another, regardless of role (with the exception of the Deputy Headteacher and the Headteacher). At lunchtime, children are expected to respect the authority of the adults on duty in the same way that they would with the teaching staff. All children should feel safe outside and must be made aware of the playground rules and the importance of informing a duty adult if they have been hurt, are being bullied or harassed. The adults on duty are responsible for ensuring that a good range of play equipment is available for the children; that they are safe; that the playground rules are being adhered to and that any incidents are being properly dealt with within the restorative framework. Any serious behaviour incidents should be reported to class teacher and logged on CPOMS.

Possessions from Home

Children should not bring toys or other possessions (eg footballs) from home unless for an awareness/special day or if specifically given permission by an adult in exceptional circumstances. This includes collection cards (eg Pokemon, football cards).

School uniform

Children are expected to wear school uniform at all times. We feel this gives the children a sense of pride and purpose and creates a sense of community that encourages good behaviour. Guidance for school uniform is detailed on the school website, or available in printed form from the school office. All members of staff are expected to enforce rules on school uniform and challenge children who flout these rules. All members of the school community, adults and children, will be expected to wear appropriate clothing, as deemed by the headteacher. If the headteacher judges that accessories worn by children, such as

extravagant hair bands, jewellery, are not appropriate, these will be kept by the class teacher or in the office and returned at the end of the day.

Mobile phones and technology

Children are not permitted to have mobile phones in school. Any children who bring mobile phones to school must take them to the office first thing in the morning and collect them at 3.30pm. Mobile phones that have not been taken to the office which are found in school will be taken to the office for collection at 3.30pm. Where there are concerns or allegations of youth generated sexual imagery, (often referred to as 'sexting') these must always be reported to the DSL, who will have regard to the 2017 updated guidance: UK Council for Child Internet Safety Guidance 'Sexting In Schools and Colleges Responding to Incidents and Safeguarding Young People' The DSL, having had regard to this guidance, will make referrals to police and children's social care where appropriate. See Safeguarding Policy. (Updated September 2018)

The Restorative Approach – Dealing with inappropriate behaviour.

Incidences of negative behaviour are dealt with in a fair, respectful and appropriate way, with the key focus on individuals taking responsibility for their behaviour, repairing any harm done, rebuilding and restoring relationships. The key principle when dealing with issues is to give all the people involved a chance to have their say and become actively involved in the process. All members of staff and children know that issues will be dealt with fairly with a 'no blame' approach.

When there have been incidences between two children key questions will be asked to find out what has happened and how the individuals involved can make things right again, or repair the harm caused. Our aim is not necessarily to ask 'Why?' something has happened but to determine what has led up to an issue and resolve it in a positive way. Everyone involved in an incident is taken through a Restorative dialogue and is therefore supported in coming to understand the harm that has been caused to all parties.

The Restorative Questions:

What happened? Drawing out each person's story one at a time, starting with the person who has caused the harm. The aim is not necessarily to come to a definitive conclusion on what has happened, but for each person to have their point of view listened to.

What do you think and feel about that? What each person was thinking and feeling at the time, before and since.

Who has been affected and how? Who has been harmed/affected and how? Older children are encouraged to think about the wider implications of who has been affected e.g. families.

What are the needs of those involved? What those affected need to feel better, move on, repair harm and rebuild relationships.

What do you think needs to happen next/to make things right with each other and with the school community? How do those people agree and negotiate meeting the needs identified above and what support might they need to do this? Staff support pupils in this process but try to ensure the pupils form their own agreement when possible. The children can refer to the behaviour ladders to consider how they can make appropriate amends with the high expectations of the school community.

This approach encourages those involved to identify ways in which a relationship can be repaired or how they can move forward. By giving pupils this responsibility we are supporting them in developing their own strategies for avoiding and resolving conflict. We also believe that if pupils reach their own agreement as to how to move forward after a conflict, they are more likely to abide by it than if it is suggested by an adult or imposed upon them. By involving the pupils in the design of the agreement we give them ownership over it and ensure it is helping them to resolve the situation and make amends in their own way.

The Restorative Approach and use of consequences

When using consequences at St Cuthbert's Primary School, the child(ren) should always be involved in a Restorative conversation and be an active part of deciding upon any consequences, ensuring they are constructive and allow the child to learn from what has happened, as opposed to a sanction being imposed and the child seeing themselves as the victim of punishment. Each class has a clear display of the process of consequences (the Behaviour Ladder), so that it may be referred to as part of a restorative discussion. We aim to help the children look out at the harm they have caused to others and see that their sanction is a way of putting things right with the person who has been hurt, as well as with the school community, which expects a high standard of good behaviour.

Some children with social, emotional or mental health difficulties require time to calm down and this is an important part of developing a child's self-management skills. 'Time outs' can be offered to children before an incident is dealt with.

Restorative Approach – Practicalities

At St Cuthbert's Primary School, we recognise that all children are unique individuals and therefore we are flexible in the manner in which we address any incidences of negative behaviour. The stages of the Restorative Approach underpin our method in dealing with behaviour issues but we are conscious that we adapt our approach to ensure it is suitable for the pupil's age and level of understanding.

When working with pupils in the Early Years Foundation Stage our focus is on the initial stages of the Restorative Approach. Staff working with these pupils focus on helping them to grasp the concepts of feelings and how they are caused. Modelling, small group work, peer support and visual resources such as photographs and Communicate in Print cards are all used to support the pupils' understanding and development of empathy.

This approach is also adapted for other pupils throughout the school. Pupils with low levels of emotional maturity or with Special Educational Needs can require support in recognising how their actions have affected others or how they feel about an incident. Pupils are supported in developing their understanding of the Restorative Approach using tailored resources, lessons and at their own pace. Children identified as having significant social, emotional or mental health needs may require an alternative approach, which will be discussed and decided upon by the team around the child on an individual basis.

Staff use their discretion and knowledge of the pupils involved to determine how best to implement this approach and who to involve.

Restrictive Physical Intervention (Positive Handling)

On rare occasions there are incidences where behaviours severely damage another or compromise the safety of our pupils and adults. In these cases the adults dealing with the issue may choose to implement consequences that could range from, loss of privileges to reporting to the Deputy Headteacher or Headteacher for a temporary internal/external exclusion and involving external agencies for behaviour monitoring and support. However, in all situations pupils will be treated within the Restorative Framework so that when they are calm their views are heard and they have the opportunity to take responsibility and repair the harm caused.

To fulfil our duty of care to prevent harm, Restrictive Physical Intervention may happen as a last resort, under Section 93 of the Education and Inspections Act 2006, in any of the following exceptional circumstances, where reasonable, and where all other options have been exhausted:

To prevent a pupil from doing, or continuing to:

- a. Commit any offence (or, for a pupil under the age of criminal responsibility (10 years), what would be an offence for an older pupil);
- b. Cause personal injury to, or damage to the property of, any person (including the pupil themselves); or

c. Prejudice the maintenance of good order and discipline at the school or among any pupils receiving education at the school, whether during a teaching session or otherwise.

The force used always needs to be the minimum necessary and in proportion to the consequences that it is intended to prevent. Account must be taken of any SEN or learning disability that a pupil may experience. It is the responsibility of each member of staff to make an assessment of the particular circumstances. Staff will need to know the contents of this policy and decide if they are capable of managing the situation alone and if physical intervention is required. Where it is possible, more than one member of staff should be involved. This policy covers those situations where incidents are foreseeable and school has planned interventions which are agreed and supported by parents/carers and are monitored through EHCPs or Individual Support Plans. It does not cover emergency situations which cannot reasonably be planned for in advance.

Most staff on roll in January 2018 have attended Restrictive Physical Intervention training and are therefore equipped to deal appropriately with a situation where a child may present a danger to themselves, others or property.

Our policy for RPI is 'the minimum degree of intrusion required to resolve the situation, for the minimum amount of time'. RPI will always be carried out with the child's safety and dignity in mind.

A quiet room is available in school, and when possible, pupils who have been subject to RPI can be taken to this room for time to become calm and collect their thoughts. Any particular Special Educational Need and/or disability that a pupil might have will be properly taken into account under the Equalities Act 2010, before any member of staff exercises the power to use force. Where there has been RPI, a record must be made on Cjoms and parents must be informed as soon as practical after the incident.

For more guidance on information sharing, please see 'Information Sharing' (DfE), 'Information sharing to protect vulnerable children and families' (DfE). (www.gov.uk/government/publications).

For more information about RPI in general, please refer to 'Guidance on the Use of Restrictive Physical Interventions for Pupils with Severe Behavioural Difficulties' (DfE), 'Guidance on the Use of Restrictive Physical Interventions for Staff Working With Children and Adults who Display Extreme Behaviour in Association with Learning Disability and/or Autistic Spectrum Disorders' (DfE), 'Use of Reasonable Force' (DfE).

8.2 Physical restraint

In some circumstances, staff may use reasonable force to restrain a pupil to prevent them:

- Causing disorder
- Hurting themselves or others
- Damaging property

Incidents of physical restraint must:

Always be used as a last resort

- Be applied using the minimum amount of force and for the minimum amount of time possible
- Be used in a way that maintains the safety and dignity of all concerned
- Never be used as a form of punishment
- Be recorded and reported to parents (see appendix 3 for a behaviour log)

8.3 Confiscation

Any prohibited items found in pupils' possession will be confiscated. These items will not be returned to pupils.

We will also confiscate any item which is harmful or detrimental to school discipline. These items will be returned to pupils after discussion with senior leaders and parents, if appropriate.

Searching and screening pupils is conducted in line with the DfE's [latest guidance on searching, screening and confiscation](#).

8.4 Pupil support

The school recognises its legal duty under the Equality Act 2010 to prevent pupils with a protected characteristic from being at a disadvantage. Consequently, our approach to challenging behaviour may be differentiated to cater to the needs of the pupil.

The school's special educational needs co-ordinator will evaluate a pupil who exhibits challenging behaviour to determine whether they have any underlying needs that are not currently being met.

Where necessary, support and advice will also be sought from specialist teachers, an educational psychologist, medical practitioners and/or others, to identify or support specific needs.

When acute needs are identified in a pupil, we will liaise with external agencies and plan support programmes for that child. We will work with parents to create the plan and review it on a regular basis.

9. Pupil transition

To ensure a smooth transition to the next year, pupils have transition sessions with their new teacher(s). In addition, staff members hold transition meetings.

To ensure behaviour is continually monitored and the right support is in place, information related to pupil behaviour issues may be transferred to relevant staff at the start of the term or year. Information on behaviour issues may also be shared with new settings for those pupils transferring to other schools.

10. Training

Our staff are provided with training on managing behaviour, including proper use of restraint, as part of their induction process.

Behaviour management will also form part of continuing professional development.

A staff training log can be found in appendix 2.

11. Monitoring arrangements

This behaviour policy will be reviewed by the headteacher and full governing board every year. The Head Teacher monitors the effectiveness of this policy on a regular basis. She also reports to the governing body on the effectiveness of the policy and, if necessary, makes recommendations for further improvements.

12. Links with other policies

This behaviour policy is linked to the following policies:

- Exclusions policy

- Safeguarding policy

- Anti bullying Policy

- SEND
